The first part of the program provides high-level digital marketing theory, with practical suggestions for its consistent implementation. You will examine the modern consumer and discover how to capture and convert these prospects into clients. You will dive into an overall online marketing strategy that includes how to use content to engage consumers. Using the concept of the Hub and Spokes online marketing model, you will learn how to optimize your primary web-based presence (your hub) and align your other online marketing activities (your spokes) to connect with modern consumers and convert them into clients.
